DETAILED ACTION

Drawings

1. The drawings were received on April 17, 2006. These drawings are acceptable.

Allowable Subject Matter

2. Claims 1-3 and 5-14 (renumbered 1-13) are allowed. The examiner's statement of reasons for allowance has been set forth in Paragraph 15 of the previous communication. In particular, there is no suggestion, disclosure, or teaching in the prior art to provide a spacer having the claimed shape/arrangement. Also, with respect to claim 9, the claim as currently drafted positively requires a step in which the protrusions are stuck into the damaged floor covering section to temporarily securing the spacing apparatus to the damaged floor covering section- one of ordinary skill in the art at the time of the invention would not have found it obvious to modify the method of the APA (in which coin(s) or tile fragment(s) are described) to satisfy that of the claimed invention.

Lastly, as detailed by applicant on Page 6 of the response, the proposed amendment is supported by the original disclosure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
